**Valentina
Tereshkova**

Igor Sikorsky

**Alexander
Bakulev**

There are people who are known as the last or the only ones to do something.

Isaac Newton-was a great scientist and contributed much to develop sciences.

Isaac Newton

Petr Kapitsa-was a great Russian scientist. He developed a helicopter, the first practical flying machine in the 1930 s.

Petr Kapitsa

Henri Ford was born and grew up in 1863 on farm near Detroit, USA. He worked in Detroit in work shop. His ambition was to build a car for ordinary people. He started the Ford motor company and he was the first to use an assembly line.

All these great people changed the world in different ways. They tried to make our life better.
