

An example to follow.

There many famous people in the world. They are Charles Babbage, Valentina Tereshkova, Vladimir Shukhov, Nicholas Patrick and many others. Russian well known people are Alexander Suvorov, Leonid Roshal, Alexander Matrosov and many others. Foreign famous people are Admiral Nelson, Leif Eriksson, Charles Babbage and many others. There are people who are known as the first, the last of the only ones to do something.

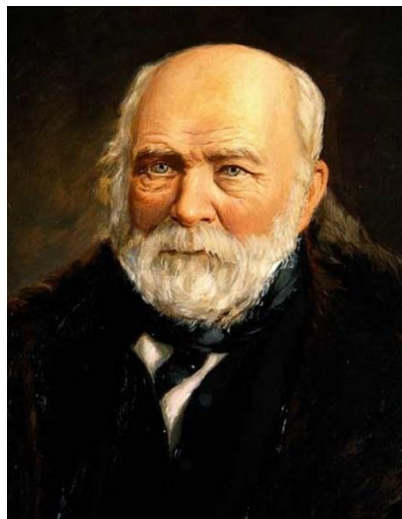

Isaak Newton was a great scientist and contributed much to developing life scientist.

Leonid Roshal is the most famous children`s doctor in Russia. He helped many children in trouble. He treats children in dangerous places.

I admire Nikolai Pirogov. He was a famous doctor who saved many people after many battles.

I like the plays of Alexander Ostrovsky. He was a popular dramatist who wrote many wonderful plays.

Famous people came to their fame in different ways.

Evangeline Booth was born and grew up in London in 1865. She worked in the Salvation Army. Her ambition was to raise money for poor people, to support needy people and to bring them food. She wanted to be like her father. Evangeline Booth was the person who made the Army a strong organization.

All these great people changed the world in different ways. They tried to make our life better.
